

INTRODUCING PRODUCTS THAT ENRICH THE DIGITAL ERA

The image is a promotional collage for JVC's 1999 home theater line. It features a central background image of a family (a man, a woman, and two children) sitting together, smiling. Overlaid on this are three main product images: a silver VHS/DVC deck (HR-DV51) in the upper right, a Micro MD component system (a central unit with a screen and two large side speakers) in the middle right, and a flat-screen TV in the lower left. The background is a light blue and white pattern of dots and circles, with several gold-colored discs floating in the air. The text 'INTRODUCING PRODUCTS THAT ENRICH THE DIGITAL ERA' is at the top in a large, orange-outlined font. The page number '6 JVC 1999' is at the bottom left.
