

**JVC Exhibits SLIM & SOPHISTICATED Products at IFA 2009**  
*Super-Slim Displays, All-New Camcorders and More!*

**Tokyo, Japan, August 31, 2009** – JVC (Victor Company of Japan, Limited) announces its lineup of “SLIM & SOPHISTICATED” A/V offerings to be presented at IFA 2009, Europe’s largest consumer electronics show, which will take place from September 4 to 9 at Messe Berlin in Berlin, Germany.

Visitors to the JVC booth will experience home electronics as never before, including super-slim LCD displays, an all-new camcorder series and extra-slim speakers for home theatre systems, as well as innovative hybrid furniture for all-new A/V lifestyles.

Rendering of JVC's The Perfect Experience booth at IFA2009

**SLIM & SOPHISTICATED**

SLIM is the signature theme for all primary models JVC is showcasing at IFA2009, and SOPHISTICATED is the distinct impression users will feel when they experience the unique hybrid furniture JVC has created for all-new A/V enjoyment.

## **Primary Exhibitions at JVC Booth (Hall 5.2a)**

### Displays

- 32-inch super-thin LCD display: Super-thin, lightweight display that flexibly fits a wide range of living environments.
